

We are committed to have the **highest level of training** in order to provide to you **best quality services**

Our certification "**Investors in People**" recognizes the constant search to maintain our professional integrity.

Our stores are regularly inspected by the British Standards Institute to validate our compliance with the latest quality **international standard ISO 9001:2000**.

This ensures consistently high level of service.

### **Specialists for Wide-Scale Enterprises**

The HSS rental company has customers of every scale and every sector - from the largest companies in Britain, Ireland, Greece and around the world to small enterprises and households. With great devotion to the "hire service", we are proud to respond to the needs of all our customers.

Most of our clients work in highly dangerous environments - e.g. maintaining rail lines or rescuing people hit by natural disasters, builders, various development projects, organizations, industries, retail, engineering, general trade which all support the economy of their country. Hire shops provide you great support wherever and whenever you need us.
